RENAULT TRUCKS T P-ROAD, SEIZE THE OPPORTUNITY

Renault Trucks T tractors are converted by our experts to bring you a **bigger range of rigid trucks on the used truck market** to suit your needs.

Renault Trucks T P-ROAD has been designed by our experts and converted at the Renault Trucks factory.

The entire vehicle including new frames and cross members have been adapted and inspected to the highest standard.

With a customisable configuration and a wide choice of options, the Renault Trucks T P-ROAD **is adapted to meet the demands of your business activity with a 4X2 or a 6X2 version.**

Renault Trucks T P-ROAD **has unique versatility on the used truck market.**

The vehicle documentation is updated with the new configuration and it is **recognised throughout the entire Renault Trucks network.** Wherever you are, you will receive a level of assistance that is both efficient and appropriate to your vehicle.

Versatility and robustness make the Renault Trucks T P-ROAD your partner ready to increase your business now... and for the long term!

1. T Range Rigid Truck Euro 6 11L or 13L
2. Tailormade Chassis: 4X2 or 6X2
3. Customised wheelbase (5600, 6000, 6500)
4. New frames and cross members
5. Maximum overhang
